a Change of Face "The President"

by Laura Schrock

In years past, Holmes Community College has been blessed with many wonderful leaders. Dr. Glenn Boyce, undoubtedly, will uphold this reputation. The Holmes Community College Board of Trustees voted during the March 2006 board meeting to name New York native Glenn F. Boyce as the college's 8th president.

By definition, a leader is someone who guides or directs others by showing the way. During the 2006-2007 school year, Dr. Boyce not only carried the title of leader of this institution, but he acted as such by showing the way to academic, social, and personal success to many students. Boyce served the college as its vice president for community and workforce development and interim president before taking over as the official president in March 2006.

At the start of this school year, Dr. Boyce met with the faculty and staff to outline the plans he envisioned to make these successes possible. The one that took precedent over the others was his goal of making Holmes Community College a first-class, top-quality institution. When asked about his objective, Dr. Boyce commented, "It is incumbent that we provide our students with a 'quality' experience, where everything they touch is not only first-class but also assists in removing any barriers that would hold them back from learning at the highest, exponential level."

Throughout the year, this goal has not remained on the drawing board but has been carried out in ways such as: remodeling the dormitories and locker rooms, implementing student email accounts to enhance communication among students, faculty, and administrative offices, manicuring the campuses' grounds, providing wireless internet and study centers in each dormitory and in the student unions, and taking further security precautions to ensure the safest campuses possible.

Holmes' Ridgeland Campus saw the completion of the D.P. McGowan Workforce Training Center. This center is set to

Above: HCC Board president, D.P. "Pat" McGowan, congratulates Dr. Boyce on becoming the college's eighth president.

fulfill every training need, from manufacturing, business, and service industries, to healthcare.

In addition to all the changes listed above, Holmes Community College has a very ambitious remodeling and building program going on throughout the entire institution. Keep in mind that this is not a short-range plan; changes will continue to be made next year and many to follow.

Dr. Boyce leads in quite a visible way; he is not one to merely watch from the sidelines, but rather, he is involved in every facet of student life on campus. By traveling with the sports teams, eating at the local hamburger joint, exercising alongside students in the fitness center and welcoming in-office visits, Dr. Boyce proves his genuine interest in HCC's students. During

Above: A group of alumni visit with Dr. Boyce at his office.

Dr. Glenn and Emily Boyce with their daughters, Brittany, Danielle, and Madeline.

his first year as president, Dr. Boyce witnessed and took part in many activities. However, when asked which one stood out to him most, he replied, "When you work with people of strong character who bring great attitudes to work daily, you experience high points pretty consistently." Because of his mind-set of viewing every experience as a blessing, Dr. Glenn Boyce becomes so much more than the leader of HCC. He becomes the example of a humble person, the model of high character, and the leader who paves the way to academic achievement and personal growth.

Boyce said he is excited to work with the staff of Holmes Community College. "People who make up this college are a special group of people," Boyce said. "I see this as a privilege and honor to be chosen to lead this group. I'm very appreciative of the trust and support the board of trustees has placed in me."

If a Holmes staff member, student or a member of the community needs him, Boyce said, his door is always open. "I've always had a complete open door policy. I consider myself to be very approachable. I always want Holmes Community College to be a place where people's views and opinions are welcomed and respected."

With locations in Goodman, Grenada, Ridgeland and Kosciusko, each area is different in their community needs. "There's no question about that," Boyce said. "I see it as a wonderful opportunity to serve the community in those areas. One of the main reasons that I'm so excited is that I believe totally and completely in the community college mission. There's not any other educational institution that so much is required of as are the community colleges. Our ability to be flexible and to adapt is one of our strengths. We are truly here to serve our community."

Prior to coming to Holmes, he served as assistant superintendent of schools in the Rankin County School District from 1996-2000. He was principal at Northwest Rankin Attendance Center prior to that.

Dr. Boyce and his wife, Emily, have three daughters: Brittany, Danielle and Madeline. Boyce received his doctorate degree from The University of Mississippi in educational leadership. He holds a master's degree from Mississippi College in educational administration and a bachelor's degree in education with an emphasis in the social sciences from The University of Mississippi.

Horizons 2007

In Memory

LaMarcus Russell

During the fall 2006 semster, La-Marcus Russell, 20, a receiver from Winona, was killed in a car accident. The former Winona High School gridiron star, was nicknamed "Spiderman" for his ability to outleap opponents.

Holmes Community College paid tribute to sophomore

student athlete LaMarcus Russell the week following his death with his No. 4 painted on the field and the Goodman Campus flag flying at half-staff.

Fellow Holmes teammate Chris Herron said, "He was my

favorite receiver and a friend. It's been a learning experience for us all," Herron said. "It's teaching us to live life to the fullest because you never know what's going to happen. God has a plan for all of us."

Holmes Community College Head Coach Hugh Shurden coached Russell his freshman year and said he was on his way to a fine career.

"I never had to deal with a problem with LaMarcus Russell," Shurden said. "He's a model kid.

"He was a good football player and was getting better all of the time," he said.

A memorial (pictured at right) is placed on the east end of Ras Branch field. He will be missed by the Holmes family as well as all who knew him.

Jessica Jernigan

Jessica Jernigan, 21, was a student at Holmes Community College. During the spring semester, she was involved in a fatal car accident. In her time spent here at Holmes, she majored in Cosmotology. Jess will be remembered by everyone who came in contact with her.

Born in Starkville, Jessica was the daughter

of Mike and Diane Jernigan. Jess grew up in a family with two younger siblings. Being the oldest of three, she was always looked up to. Jessica was a 2004 graduate of Olive Branch High School.

At Holmes, Jessica was a member of the Holme Towne Players. In the spring semester of 2007, she played the character of Judy, the Bride, in the play "There Goes the Bride." Play director Jim Schroeder said, "Although Jessica had only been part of the cast for about a month before she

left us, it was amazing how quickly she became part of our family."

Patty Roberts, cosmetology instructor, said, "She will always be remembered by the kindness and love she brought to the cosmetology class. Jessica proved her desires to be a cosmetologist by the attendance, interest, excellent grades, and exemplifying herself as a professional. Jessica was eager to help others and when she mastered a skill she shared with the entire class how to accomplish the skill. She displayed a support buddy attitude and really love to laugh and have fun."

Like a flower in the wind

To all of us you were the greatest friend.

You made us laugh when we felt low;

Smiled the crooked little smile that would make us

All glow

No one could give a massage like you. Put us all in a better mood. Now like an angel in the sky You're walking with Jesus side by side.

Please don't be sad when you see us cry.

Knowing now you're happy, I know we'll be fine.

Jess, we love you and miss you so much;
I'm so glad that in our hearts you left that special touch.

by Catherine Jenkins

Holmes Community College Horizons Dedications

Jimmy Rigby

For thirty-one years Jimmy Rigby has been dedicated to educating students in the skills of automotive mechanics.

Fondly referred to as "Chief" by his stuents, Rigby began his Holmes career in 1976 at the Kosciusko Skill Center. As auto mechanics instructor, Rigby has taught generations of Holmes

students to enrich their lives.

Rigby came to the Goodman campus of Holmes in 1977 to assume the position of automotive mechanics instructor. During his tenure at Holmes, Rigby has taught the Toyota program, which lasted 15 years, and the Chrysler program, which lasted five.

Rigby, who has a fond place in the hearts of his co-workers and students, helped Holmes students and others in and out of the classroom. With only the cost of parts, Rigby's classes have maintained and repaired vehicles belonging to faculty, staff, and fellow students. Anyone who has come in contact with Rigby's program has acquired knowledge of the automotive students and respect for Rigby.

He has also played an active role in the Skills USA organization on the Goodman Campus.

Rigby is a graduate of Holmes Community College and Mississippi State University. He has continued to be associated with automotive mechanics since acquiring his degree.

Upon retiring Rigby looks forward to spending time with his wife, grandchildren and horses. He and his wife, Ina, reside in Kosciusko. They have two daughters, Anna Joe Holt and Leah Gilbert, and three grandchildren, Mason, Madison and Austin.

It is for his years of dedication and service to Holmes Community College that the 78th edition of Horizons is dedicated to Jimmy Rigby.

Hugh Shurden

Twenty-seven years of Holmes Community College Head Football Coach Hugh Shurden's 57 years have been spent on the Goodman Campus either as a student, head football coach or assistant football coach.

This year Shurden will retire after serving a total of 25 years with the last 12

years as head coach. Prior to Holmes, he worked seven years under former Holmes Head Coach Johnny Fulce at Sturgis High School and two at his alma mater of Mathiston, giving him 34 years in education. Shurden has been the Holmes athletic director for the past four years. Having only one losing season in his first eight years as head coach, the last four have only produced eight wins after coming off the 2002 MACJC and Region XXIII Championship with a 9-2 record. He finished his coaching record at Holmes with a 56-59 overall record and 38-34 in the North Division.

"We only had one losing season in the first eight years," he explained. "In 2001, we finished 4-5 overall but were 4-2 in the North. Every year we were in there, and we were contending."

The Mississippi State Graduate said the Goodman Campus is a second home for him and his wife, Barbara. Their daughter, Brittany has been reared here. "The experience and things I've learned here would fill up a big book," he said. "This is home for me and my wife and my daughter. We don't know anything else. You are here because you want to be here."

Shurden plans to continue his favorite pastime, hunting and fishing.

The 78th edition of Horizons is dedicated to Hugh Shurden for his years of coaching, service, and commitment to Holmes Community College.

a Change of Face "The Surroundings"

by Valerie Summers

Holmes Community College has started to get a makeover. Holmes has new things popping up all over the place. Such as, new curfews, patio furniture, and new buildings such as the McGowan Center, just to name a few.

GOODMAN CAMPUS

A lot of the students are really taking advantage of the new curfew. Last year the curfew required students to be in their dorms by 11 p.m. This year the curfew is 12:00 a.m. The curfew for having to be back on campus went from 1 a.m. to 1:30 a.m., so that students can drive safely on their way to campus instead of speeding to get back before 1 a.m.

The Can has seen many changes this year. The new pool tables have everyone wanting to play a nice friendly game of pool. Along with the new pool tables, there are new chairs for the students to relax. Now they can be comfortable as they sit to play a game of spades, dominos, or to enjoy their lunch.

The new arcade room in the Canteen has been getting a lot of attention from students. The games range from X-Men to Ms. Pac Man. There is also a candy machine. No matter what time of day someone is always playing a game.

The patio furniture with umbrellas are another asset to the campus. There were a few places to sit down, but now there is a place to sit just about everywhere. New patio furniture was also placed in front of Yazoo Hall and in front of the football field house. Thanks to approval from Dr. Boyce, students can also show off their grilling skills there.

The Yazoo Hall lobby has gotten a new look for this year. It is now freshly

painted and has new furniture in the lobby. Also a big screen television was brought in to go along with new look.

Girls and guys are taking advantage of the new policy that boys can now visit any dorm lobby between 7 p.m. and 12 a.m. The rules are that they must sign in, leave their id. at the desk, and respect the person they are visiting and everyone else.

Student Support Services has moved from the Technology Center to McDaniel Hall's basement. There are tables and chairs setup for students who may have paper work, waiting in line to be transferred by Linda Alexander Jones, counseled by Reginald Castilla, or use a computer with Nancy Schroeder.

The Learning Resource Center has been renovated and now has a sign on the building.

A new concession stand and restroom facility was built this year on the visitor's side of the football field.

At the baseball field, a nice patio area has been added where spectators can enjoy the games.

The womens basketball locker room saw a major facelift. Along with new lockers, the athletes now have a stadium-seating television viewing area for reviewing games and plays. A small kitchenette is also available for the Lady Bulldogs.

Around the Goodman Campus, one may also notice framed photos of campus scenery and student life, along with fresh coats of paint.

What a difference these things make! continued on page 10

A Change of Face "The Surroundings"

continued from page 9

GRENADA CENTER

The Grenada center saw many change this year. Students, faculty, and staff have enjoyed new paint here and there, as well as a new library facility.

The Grenada Center has continued to grow in enrollment and space. As a result of this, during the Thanksgiving and Christmas Holidays of 2005, the library was able to move to The Grenada Centers newest building which previously housed Woodman Baptist Church. In the spring of 2006 the new library opened its doors, doubling in size. "Because of the new space we were able to expand our collection, add audio visual equipment, additional classrooms, a multi media area, and a DVD player that can be rented out," said Joan Tierce, District Librarian.

30 computers are now housed in the library; 27 computers in a computer lab as well as three new computers on the floor where the books are housed. Students can now access the card catalog through the computers and even relax during a break between classes in a reading room fully stocked with updated magazines and newspapers.

Beneath the library is the campus bookstore. Store manager, Cindy Walker, who has been with the Grenada Center for three years, was thrilled for the move which more than doubled their space.

The bookstore features a new selection of clothing, Burt's Bees products, exercise aids (e.g. yoga mats, strength and resistance bands, eye mask, etc.) which Walker hopes to expand in the near future, and a variety of books. from poetry by Chaucer, to the War to Wall Street. The bookstore, owned by Follett, also sells scrubs.

"Operation Green" was the name of the 2005-2006 service project by Phi Theta Kappa at The Grenada Center of Holmes Community College. "Operation Green" consisted of four service projects on the international, state, local and campus levels. For the campus project PTK members decided on a

facelift for the courtyard as well as a fresh coat of bright paint to the breakroom in the main building better known as "The Bulldog Deli." When the PTK members consulted with their sponsor Joan Tierce on the paint color Mandarin Orange selected she responded by saying, "Mr. Holmes (Vice President at The Grenada Center) will never approve that." As soon as he was approached by the PTK members Mr. Holmes said "sure," and the three walls splashed with mandarin orange paint have proven to be a success.

RIDGELAND CAMPUS

The Ridgeland campus saw some major changes to the campus with the completion of the McGowan Building, more parking spaces, and renovations made in the east wing of the technical building.

On Thursday, Aug. 10, the 50,000 square foot, \$8.5 million D. P. "Pat" McGowan Workforce Training Center was dedicated on the Ridgeland Campus. The building, designed to meet the training demands from business and industries in the southern part of the Holmes district and region, is fully operational.

"When you tour this facility, you are going to see some of the most advanced technological equipment of the day," said Dr. Glenn Boyce. "It's not the equipment or the beautiful building you see that will be the true legacy. The lasting legacy of the center will be the people, each individual, who moves through it.

"The enormous growth of manufacturing, business, health care and service industries necessitated a facility that was large enough and flexible enough to meet the diverse training demands that will be placed on it," he said. "Whenever a prospective manufacturing or business client looks at locating in an area, one of the first issues is the ability to provide a trained

labor force and how this training will be delivered.

"Holmes' workforce training abilities becomes a major factor in many economic development opportunities. Without the tremendous support of county officials and existing industry, this facility would not have been possible. For Holmes, this building represents the opportunity to deliver the mission of workforce training at its highest possible level and respond to its industry partners at the "quality" level they have come to expect."

The man for whom the building was named, Pat McGowan, is a Madison County native who has served on the Holmes Community College Board of Trustees for more than 40 years.

Workforce Development, Engineering Technology, Computer Networking Technology, Emergency Medical Technology, and GED/Adult Basic Education are all housed within the McGowan Center.

The brick building located directly behind Ridgeland Hall, known as the Technical Building, had been home to the Workforce Development program in Ridgeland for the past seven years.

Since the completion of the D.P. "Pat" McGowan Workforce Training Center, the program has relocated to this state-of-the-art facility containing over 50,000 square feet of training and meeting space. Upon the completion of the refurbished Technical Building, the nursing program will call it their own. Among the many upgrades is a fresh look to the grand entrance as well as a new, alternate entrance from the back of the building.

The space known as the west wing of the Technical Building previously housed the machine shop. Soon the west wing will become the student center and bookstore which will be relocated from Madison Hall.

a Change of Face "Bulldog Trends"

by Artie Buchanan and Terann Culpepper

There are many different types of trends in today's world. Everyone has their own idea as to what style is and how to go about showing it off. Who's to say who is right and who is wrong? Style is unique to all and Holmes carries its own brand of style that is a mixture of Southern charm and classic vivaciousness. There are many styles in the shoes, clothes, cars, and appearances. Styles change every season and Holmes changes with it slowly and smoothly, a characteristic of the South.

Among the men, some of the trends are Air Force Ones, Girbaud, grills, and braids. Pairing shoes that match a guy's outfit to a tee is a favorite. They keep syle strong from head to toe easily. Jordans are a brand of shoe that are an expensive yet popular choice. Wallabees are also popular with men as well as women. The trend in clothing is Girbauds. Along with a pair of Girbauds, you must get a pink T-shirt. Also, for the winter, a trend is the Nascar or NorthFace jacket wich come in many styles and colors.

Brittany French, right, and friends show off their styles at the 'Black, White, and Blue' dance.

Above: Basketball boys and their friends really know how to dress to impress!

Above: Brandi Welch, Mary Catherine Davis, and friend wear stylish shirts to the PTK initiation ceremony.

Below, L to R: Jeremy Boler, Yancey Lott, and Derek Loper are shady at lunch.

A touch of "bling" adds a certian bounce to their step as well as they go to their classes across the campus. Boys are now getting piercings and are wearing the big diamond earrings. On top of all that, you must have a chain that hangs low.

Everybody loves a rockstar and rock n' roll has exploded onto the clothing scene in the past year with distressed, yet neat, jeans, studded belts and rocker chic shirts.

The past year ladies' trends have been a mix of old school Hollywood glamour and modern sophistication. Half jackets, snow boots, long, beaded necklaces and big sunglasses like Nicole Richie's have dominated the style scene at Holmes.

The best jeans in women's wear are the apple bottoms or bootleg jeans. The big belt at the waist, sometimes on top of shirts, is a popular look to wear out to dinner and to the club.

Snow boots, popular last season, were still all the rage during the chillier moments of the year, but preppy pretty platform heels and wedges in a variety of styles, including polka dot and leopard, took over once it got warmer.

continued on page 14

A Change of Face "Bulldog Trends"

continued from page 13

A style that was once popular in elementary school days has taken Holmes by storm and it is the headband. Classic black to funky colors and prints set off pretty faces at Holmes.

Polos, a classic throwback that has never gone out of style still has a strong impact. Stripes, polka-dots, and team jerseys are also seen around campuses.

When you look around the parking lots on any Holmes campus, you will notice that many are riding on rims and/ or have nice paint jobs. Perhaps some of the awesome pain jobs are compliments of Eddie Ellis's hard working collision repair technology students. The top rims are 20s and 22s. If you are not riding on hubcaps, you are not in style.

There are many other was to add to the appearance of a vehicle. Many Holmes students have stickers or tags displaying logos such as Cotton, Duckhead, Mossy Oak, racing, or Buckmark.

Ask just about any student if they have a cell phone, and the reply will be, "Of course! Check out my Razor!" They will not be reffering to a shaver. Cell phone covers

Above: Val Summers is styling in more ways than one with her half jacket, headband, and glitzy cell phone. Left and below: Students around campus display these various tags and stickers.

Above: David Stewart wears his stylish Polo visor. Below: Headbands such as this student's are seen worn by females.

come in many colors and styles these days. There are also ways to show off originality by adding bling bling jewels to phones. Many students have ear buds: a device that attaches to the ear and sends a bluetooth signal to your phone, allowing one to talk hands-free. Many students that are on the phone may appear to be talking to themselves until you notice their ear bud!

All types of music are popular these days. Many older songs are being redone or sampled from, creating funky fresh versions of some of our parent's favs.

Music is very much a part of a student's life, while studying or partying. On some student's IPod's are artists such as: Fergie, Justin Timberlake, Gwen Stefani, Red Hot Chili Peppers, Fall Out Boy, Beyonce, Pretty Ricky, Unk, Ludacris, Akon, Young Jeezy, the Fray, Tim McGraw, Carrie Underwood, and so much more.

When not playing video games like 'Halo,' you may find a student watching television shows like Grey's Anatomy, Law and Order: SVU, Family Guy, Nip Tuck, Dirt, One Tree Hill, America's Next Top Model, American Idol, and more.

Today's trends are what make us who we are as individuals!

Paralegal and Criminal Justice

New Classes at Holmes Ensure Promising Careers by Christy Mullins

PARALEGAL TECHNOLOGY

Paralegal Technology is one of the newer classes that has been added to the schedule at Holmes Community College. Located on the Ridgeland campus, the Paralegal Technology core curriculum is designed to prepare a person for entry-level employment as a legal assistant/paralegal in courts, corporations, law firms, and government agencies.

Paralegal Technology is a two-year program that requires courses in the vocational-technical core, designated areas of concentration, and the academic core. The Associate of Applied Science Degree is earned upon successful completion of program. The set of courses is based on standards developed from the National Association of Legal Assistants' Descriptions of Certified Legal Assistant (CLA) ExamSections. Additional information used in the development of this curriculum was collected from a review of related literature and from surveys of local experts in business, industry, and education.

The job outlook for the employment of paralegals and legal assistants is expected to grow much faster than average occupations through 2014. Private law firms will continue to be the largest employers of paralegals, but an expanding number of other organizations, such as corporate legal departments, insurance companies, real estate and title insurance firms, and banks also provide jobs for paralegals. Corporations in particular are boosting their in-house legal departments to cut costs.

Paralegals may be employed in a variety of settings whichinclude the following: Law Firms, Government: local, state, federal, Courts: state, federal, Corporations, Freelance (self-employed contractor).

There are alternative jobs as well, such as the following

Law Office Manager/Administrator, Law Librarian, Sales Rep. for legal software/books, Real Property Title Examiner. Home Loan Officer, Claims Examiner, Arbitrator/Mediator, Paralegal Manager or Administrative Assistant. The demand for paralegals also is expected to grow.

Leading the department, as program director is Latricia M. Nelson (CLAS) other adjunct instructors include Darleen T. Dozier (CLAS), Laura Sceen Kuns (J.D.), and Laina D. Woodard (J.D.).

CRIMINAL JUSTICE

Introduction to Criminal Justice was offered for the first time this 2006-07 school year at both the Ridgeland and Grenada branches of Holmes Community College.

"Criminal Investigation is alot like 'CSI," said Pamela Spence, criminal justice instructor. The class will learn how to preserve evidence, secure a perimiter, find evidence, process DNA, use different databases, as well as how to conduct interviews and interrogations.

Pamela Spence feels that with her experience as a military police officer in the ARMY and being called to active duty gives her the ability to apply much more through her real life experiences rather than reading from a textbook. Spence always knew she wanted to pursue a career in law enforcement.

Spence hopes that enough students are interested in becoming quality police officers. "This is a job that a computer will never be able to do. There are so many things you can do with a criminal justice background." she added.

Spence is referring to the popularity of jobs such as: detective, narcotics officer, drug dog trainer, correctional facilities worker, private investigator, or working with organizations such as the FBI, CIA, or FEMA.

Making a change in peoples lives...

automotive Technology

by Justin Killebrew

When you think of Holmes Community College, you might want to consider the number of things that could possibly be done by students that will help not only them in their studies, but you as well in the long run. "What are you talking about?" you ask. Well, here on the Holmes campus in Goodman I am referring to the Automotive Department. It is here that we offer a course of basic study in Automotive Technology. The course is a four-semester program that will qualify one to work in places such as a dealership, front-end alignment shop, etc. A promising career in the automotive industry begins here at Holmes.

What does Automotive Tech offer at HCC?

"Well, we finely tune the vehicles of teachers, students, and others. Students have always been top priority," says Jimmy Rigby, Automotive instructor on the Goodman campus. If your vehicle needs a new part, all you pay for is the part. At the same time you are saving from the conventional way of taking your vehicle to an auto shop; you are also contributing to the knowledge and foundational learning of students while they work diligently on your vehicle. The students are also overseen by an excellent instructor whose knowledge of auto work surpasses many by miles.

Our instructor here, Jimmy Rigby, I would have to say, is overly qualified for his position of outstanding work and great teaching methods. Rigby received his AA degree from Mississippi State University in 1958. From then on, he has worked numerous places on vehicles of all sorts. "I've been completely auto my whole life," said Rigby. HCC welcomed him in 1975, and he has been a huge asset to the school. In his 31 years of teaching, he has taught a Toyota program for 15 years and a Chrysler program for five years.

Automotive Technology instructor Jimmy Rigby shows his students what to do next on the vehicle being worked on.

es. It has been said that Sherrie Cheek, director of careertechnical education, would throw away his retirement papers if he ever laid them on her desk. When an instructor has that ability to connect with the students and touch so many lives in such a way, no one would ever want to lose such an excellent asset. But despite his choice, he says he will have plenty to keep him busy between his love for his

Making a change in peoples lives...

Heating, Ventilation, and air-Conditioning

HVAC instructor Jeffrey Cotten helps students with an assignment.

by Justin Killebrew

Holmes Community College offers a two-year course in Heating, Ventilation, and Air Conditioning, or HVAC, from which one will receive a two-year certificate or associate of applied science degree. From this course one will learn such things from basic refrigeration to window units and household air conditioning, as well as sheet metal making and electrical installation, as found in industrial parts of a corporation. With this degree one could attain such jobs as sheet metal work, ductwork, sales representative, a factory setting that builds products such as refrigerators, etc. One might also be hired to go out and bid on

While standing in the HVAC commercial size freezer. Scott McRory says, "BRRRRR this refrigerator is running!"

jobs in which lead to producing this labor. The starting average salary for someone with the degree is \$10-\$12 per hour.

The students here at Holmes work completely under the supervision of instructor Jeffrey Cotten, and the best thing, excluding the cost of parts, is that the labor is free What better could one ask for? You are also contributing to the helpful insight and teaching of students by allowing them to work on your belongings.

Each year this department competes in Skills USA on the state and national level. Cotten's student, Stephen Bennett of Kilmichael, won first place in state and 21st

shortly after this he was offered a job beginning at \$15-\$20 per hour and yet another job in Jackson that offered \$20-\$25 per hour with a truck and gas provided.

According to a national study, there is an extremely high demand for this field because the level of knowledge is vanishing with the absence of the older generation and the lower number of the younger generation entering this field.

Goodman campus instructor Jeffrey Cotten received his associate of applied science degree from Holmes in 1999. The instructor at this time told Cotten that he might be back at Holmes teaching the program. Not really paying much attention to his instructor, the statement was true; only three years after his graduation he was back as the instructor. Cotten has been at Holmes four years.

"Freak" Death of Naturalist Irwin

Thousands mourned Crocodile Hunter' Steve Irwin's sudden death after the Australian naturalist was killed by a stingray during a diving expedition.

The 44-year-old wildlife

stingray's barb while filming a documentary.

His death was caught on film, but his wife - and mother of their two children - vowed it would never be broadcast.

Australian Prime Minister John Howard said the country had lost a "wonderful and colourful son".

Our 38th president didn't get a lot of respect when he left office, but the passing of time has been kind to Ford. Political historians note that he steered the country through the difficult post-Watergate era, and successfully restored public faith in the institutions of government. Ford was the longest-living former president and remained a part of the political discussion after leaving office.

The most-liked ad of 43 tracked this year was a slapstick spot for Windex. In it, two wise-cracking birds trick a mar into bumping into his patio door — so clean thanks to Windex that it looks open.

Gnarls Barkley's charttopping hit Crazy has been named as the best track of 2006 by Rolling Stone magazine.

James Brown, 73
Called the "Godfather of Soul" and the "Hardest-Working Man in Show Business," Brown by most accounts was deserving

of the titles. A major musical figure,
Brown influenced generations of the most popular
musicians alive today, including the Rolling Stones
Michael Jackson and Prince—to name but a few.
"He was an innovator, he was an emancipator, he
was an originator.

ONE THING AFTER ANOTHER

The nation experienced at least eight serious food-borne illness outbreaks in the past seven months.

Salmonella

- June: Restaurant tomatoes sicken 106 people in 19 states (June-Oct.)
- September: Restaurant tomatoes sicken 183 in 21 states.

Botulism

• September: Six cases traced to Bolthouse Farms carrot juice.

E. coli

- June: Less virulent form 0121:H19 sickens 73 people; traced to iceberg lettuce at a Wendy's Restaurant in Utah.
- September: Deadly strain 0157:H7 in fresh spinach from California kills three and sickens more than 200.
- October: 0157:H7 sickens 30 people in Canada, tentatively linked to romaine lettuce from California.
- December: 0157:H7 hits Taco Bell restaurants in five states, with 71 cases; contaminated lettuce is the culprit.
- December: In unrelated case at Taco John's restaurants in Iowa and Minnesota, 80 get sick from lettuce.

Mississippi Picks Up The Pieces

In its first regular session since Hurricane Katrina ravaged the Gulf Coast, the Mississippi homeowners and cracking down on home-repair fraud.

The measures augment recovery plans engineered during an emergency session called after the August 2005 hurricane. In that session, Gov. Haley Barbour (R) relaxed regulations for casino boats - a huge revenue source for the state - and secured a \$25 million package of

With less to rebuild than Louisiana. Mississippi lawmakers were able to give raises to state employees and increase tax exemptions for National Guard members. The three-month session ended March 31.

In response to Katrina, Mississippi - along with nine other states in 2006 - passed a law that bans local law enforcement from confiscating weapons during emergencies or national disasters. It also was one of 14 states this year to adopt a law that expands the right of individuals to use deadly force in self-defense with no duty to retreat and immunity from

A ban on smoking in government buildings was approved but does not apply to businesses or restaurants. Also state and local police now can pull over drivers who don't buckle up.

The Legislature also banned sport-fighting between hogs and dogs, a practice developed

In August, Barbour called a three-day special session to deal specifically with Riverhend Legislature passed a \$173 million incentive package for the \$2.7 billion project, which is xpected to open by December 2008 and employ 3,500 people

The Legislature also approved grants of up to \$3 million for city and county governments on the coast that have lost at least 25 percent of their tax revenue since Hurricane Katrin

n a September special session that lasted only two hours, lawmakers cut the sales tax or modular homes - sometimes called Katrina cottages - from 7 percent to 3 percent. The legislation will make it easier for people, and Katrina victims in particular, to buy new homes. Barbour quickly signed the bill, which had died in the August special session.

2007 all

....Sara Balch..

Sara Balch of Madison, a President's List Scholar and a business major on the Ridgeland Campus, also wants to also pursue a minor in English. Her dream job would be to own and operate a business and to also become a published writer

HEADWAE 2006

Higher Education Appreciation Day Working for Adademic Excellence

Higher Education Appreciation Day Working for Academic Excellence, or HEADWAE, recognizes outstanding faculty members and students from each of the state's colleges. The program was begun in 1998 by Cecil Simmons, a Mississippi State representative. Those selected are invited in the spring to the state Capitol to spend the day. In addition to attending a luncheon in their honor, they are presented to the Senate and the House of Representatives.

This year's faculty representative is John P. Switzer, social science instructorat Holmes' Ridgeland Campus. The student representative is Sara Balch of Madison majoring in business with a minor in English. Recipients of the two honors are selected by a committee appointed by Holmes' president. The instructor's selection is based upon

merit; the student's selection is based upon grade point average and difficulty of courses taken while at Holmes.

Switzer has a total of 19 years in higher education, all of which he has served as a social science instructor at Holmes. A graduate of the University of Southern Mississippi, Switzer received his bachelor's degree in history and a master's with thesis in history. The Holmes instructor serves on the Western History Association and Mississippi Historical Society.

The college's student HEADWAE scholar, a Ridgeland business major, is Sara Balch. After being home schooled and completing her high school education, she began her college career at the Ridgeland Campus of Holmes. She is the president of Phi Theta Kappa Alpha Lambda Sigma Chapter, a Phi Theta

Kappa MS/LA Region Central District Representative, and Scholar's Bowl Team member, Balch was a Freshman Favorite, Christian Campus Ministries vice president her freshman year and is president her sophomore year. A member of the student newspaper staff, she was a freshman staff writer for the Growl and Ridgeland Campus editor as a sophomore. She is also a member of the Math and Combined Sciences Club. Balch is a 2007 Phi Theta Kappa All-USA Academic Team nominee and has been a USAA National Collegiate Natural Sciences Award Nominee both her freshman and sophomore years.

Balch plans to pursue a bachelor's degree in business with a minor in English. Her ultimate career goal is to open and operate her own restaurant and become a published writer.

Lamplighter 2006

Hosted by Holmes Community College

The 2006 Holmes Community College Lamplighter participants were: L to R: Linda Alexander and Sherri Comfort. Goodman; Clay Davis, Grenada; Thomas Garrett, Ridgeland; Billy Morgan, Grenada; and Pam McCollum, Ridgeland.

Believing that "faculty are critically important in the building of a community of learning" in the spring of 1990, the Mississippi Community/Junior College Academic Dean's Association founded the annual Lamplighter Conference.

The three major objectives of the Lamplighter Conference are: to recognize and reward effective teaching in the Mississippi community and junior colleges, to give effective instructors an opportunity to share with one another those teaching techniques that promote learning, and to give classroom instructors exposure to classroom research.

This year's conference, held on October 11-13, was hosted by Holmes Community College. Under the organization of academic dean Dr. Fran Cox and her staff, the conference was definitely the best yet! All conferees had a wonderful time and enjoyed a presentation by Mississippi artist Saul Haymond, Sr., performances by the Holmes Connection!, the HCC choir, the HCC jazz band, and the HCC steel band. Many other activities included: fine dining at the University Club, enjoying an excerpt of John Maxwell's "O Mr. Faulkner.

Do You Write?," a tour of the Nissan Plant, the Canton flea market, and a tour of the new McGowan Training Center on Holmes' Ridgeland Campus. On the Goodman Campus the conferees enjoyed hands-on art projects such as creating their own stepping stone, ceramics, and painting, compliments of the Fine Arts and the Vo-Tech Departments. Everyone definitely got their fill of great food!

Representing Holmes this year were: from the Goodman Campus: Linda Alexander, counselor and transfer facilitator, and Sherri Comfort, practical nursing instructor. From the Grenada Center: Clay Davis, electronics instructor, and Billy Morgan, computer programming technology instructor. From the Ridgeland Campus: Thomas Garrett, funeral services technology instructor, and Pam McCollum, associate degree nursing instructor.

Each representative of the institutions selected for this honor is recommended by his or her respective academic dean and in turn the president. The entire Holmes faculty, staff and student body helped to make this year's conference a success.

Above: Ambassador Laura Shrock helps with the stepping stones. Below: Brittany Nowell plays the steel drum.

Above, L to R: Lilly Austin, Dr. Fran Cox and Sue Ellen Stubbs browse at the Canton Flea Market. Below: The Holmes Connection! entertains the Lamplianter group.

A Change of Fact

raduation

Former State Senator and retired Grenada attorney John T. Keeton, Jr. told Holmes Community College graduates they determine what their futures hold during the 78th Commencement Exercises on May 19, in Frank Branch Coliseum on the Goodman Campus.

"Graduation is the end of something for each of you in front of me," Keeton said. "Some of you are through with college

training and some of you will be going on to further studies at another institution. This is the end of a certain phase, and I congratulate you on what you've completed."

Keeton. 1941 graduate of Grenada High School, holds a bachelor's degree and a law degree from The University of Mississippi.

After attending Ole Miss two years, Keeton

joined the U.S. Army Air Corps, where he attended bombardier, navigator and gunnery school in the Continental United States. Before leaving the Corps, he was a second lieutenant and taught in the bombardier school until 1945, when he returned to Ole Miss to finish his bachelor's degree.

After his father died in 1947, he returned to Grenada to assist his mother with their retail store until 1952. He then entered law school at Ole Miss receiving his law degree in 1954. Keeton served as president of the law school and was named a member of Omicron Delta Kappa, the law school honor society.

He opened the law firm in Grenada shortly after graduation. Phil Embry and Eddie Cofer have been partners during his law career. He was elected to the Mississippi Legislature as District 15 Senator in 1984, and remained in that position until 1993. The district

Keeton told the graduates they have two things to consider - what kind of world they are stepping into and what

a member of the Judiciary Committee. He

practiced law until the late 80s.

they will make of their lives as they take their places in their own world continuing their quest for success. "It will be difficult to make some decisions and hard to make some choices," he said. "There are many decisions you will have to make as you move on."

Keeton said graduates must either join with a conspiracy of silence with some of the population or dare to be different and stand up for the same principles that were embraced by the founders of this nation.

"Some do not speak out against these wrongs, but we must be doing something right because America is prospering. Keeton said of criminal and immoral activities. "We could and should speak out against moral issues in our community and our nation. If a great number of our citizens would speak out you may rest assure they will be heard and receive attention from those people occupying positions of public trust and public office The most important way is to speak out at the ballot box.

"When you do vote, be an informed voter standing on principle," he said. "In addition to speaking out against what you believe is wrong, you need to actively step out and render service to your community. area and fellow man. There is a place for all to serve in some way to make your community a better place to live."

"As you embark on further study or enter life's mainstream, find a plan or purpose and then be true, Keeton said. "You do have a choice. You will be as you will. You

> certainly should be congratulated for what you've accomplished. Go forward. You can what you've have learned, feed it and watch it grow; or you can starve it and join in the conspiracy of silence and watch this learning wither and die.

"Your future yours," he said, "The decisions to be made

are yours. Your life as you go from here is as you will... Make the best of it, the most of it."

Receiving the M.C. McDaniel Award was Lindsey Netherland Lee Balch of the Ridgeland Campus, Lane Cox of the Goodman Campus and Renee Chamberlain of the Grenada Center were named the Outstanding PTK members of 2005-2006. Balch, Jennifer Rodgers and Teresa Richardson were valedictorians. while April Pitts was the salutatorian.

Welcome Week 2006

Homecoming

Pirates of the Carribean

This year Holmes Community College went with the Pirates of the Carribean theme. Many people dressed for the occassion in pirate outfits. Also many joined in and dressed up each day during homecoming week. Monday was filled with people in their camouflage.

Tuesday, students went to an extreme to be their favorite celebrity. A hawaiiain theme filled the campus on Wednesday's Island Day. Thursday was pirate day to go right along with the Pirates of the Carribean theme. Finally Friday was filled with

Bulldog spirit!

bove: Shane Hunt wears an eye patch to the homecoming dance to go along with the pirate theme. Right: Kids enjoy

HCC BULLDOGS

VS. PEARL RIVER WILDCATS

(Right) The Dirtbag Baseball Ladies and Jackie Hoff (Coach Hoffpauir) pose for a group shot with former Miss Spicy Jambalaya (Coach Dupont).

PTK's Womanless Beauty Review 2006

This year Phi Theta Kappa held the annual Womanless Beauty Review with the proceeds going to an Environmental Awareness Project for Mississippi coastal Residents: Katrina Victims. The Dirtbag Baseball Team, along with a few others including some instructors participated in getting all dressed up in pageant gowns, doing their makeup, and getting their hair and nails done. Some even went so far as to shaving their legs. Everyone gathered that the "guys" had a little too much fun with it.

The mistress of ceremonies was Ceressa Sims. Entertainment was provided by members of Connection!; Michelle Moran, Leah Pate and Jacob Veenstra. This year's judges were Linda Alexander, Robert Harris and Will Alexander. The security was provided by "No Tolerance."

Last year's Queen Little Debbie (a.k.a. Tim Bell) crowned Most Beautiful 2006 Eileen Right (a.k.a. Keith Williams). The four beauty finalists were Jeffery Cotten, Chanse Cooper, Coach

Hoffpauir, and Jeromie Jones.

This year's contestants included: Blake Pennock, Tim "Buck" Rodgers, Austin Taylor, Shane Hunt, Chris Herron, Joe Morris, Keith Williams, Brad Norman, Sean Thompson, Dusty Williams, Jeremy Boler, Will Carpenter, Will Pearson, Jason Chism, Jacob Jacks, Jared Clark, Chanse Cooper, Aaron Terry, Jeromie Jones, Coach Hoffpauir, Steve Diffey, Tim Paul, Jeffery Cotten, Trey Bowman, and Zac O'Briant.

L to R: Jefferina "Let Me Heat And Cool Your World" Cotten (a.k.a. Jeffery Cotten), Norma Lee Open (a.k.a. Chanse Cooper), Queen Eileen Right (a.k.a. Keith Williams), Jackie Hoff (a.k.a. Coach Hoffpauir), Sha'Neiqua La'Shay Wright (a.k.a. Jeromie Jones.)

Right: Phi Theta Kappa advisor, Billy Wilson trys to join in the Beauty Review while Ceressa Sims, mistress of ceremonies questions him and security (a.k.a. Jamaal Peeples) provided by "No Tolerance" escorts him off

Left: Most Beautiful Eileen Right (a.k.a.Keith Williams) strikes a pose and reveals to us her sexy legs.

Below: Deelicious Diffey, "Double D" (a.k.a. Steve Diffey) smiles at the crowd as she struts her stuff.

Coach Kenny Dupont, former Miss Spicy Jambalaya and last year's Most Beautiful, Little Debbie (a.k.a. Tim Bell)

Right: Lucy (Lindsey Goslin) sneaks a kiss from Ricky (Andrew Nail) before the Gong Show.

Above: Ridgeland students play some serious basketball during Fall Fest.

Joseph Cote' (left) and friend race to the finish line.

Andrew Holifield (left) and Brandy Grantham try to be still as they get their characature drawn!

L to R: Buil riders Ruchel Herrington. Antoinique Buttaglia, Sara Marie Lowrey hang on as long as possible.

Fall Fest 2006

What appeared to be the last of the warm summer days held out just long enough for the Student Government Associations' annual Fall Fests, this year held on all three campuses for the first time.

Things "kicked off" on the Goodman Campus, despite soggy weather conditions. Students enjoyed the big blow-up obstacle course, the mechanical bull, and characatures.

On the Ridgeland Campus, barbeque, games, entertainment and numerous faculty members eager for their shot at the mechanical bull made fall fest a success. Students formed lines for their chance to enjoy an inflatable bungee cord run where they were strapped in and allowed to run as far as possible before being snapped back. The Ridgeland Campus also danced to a local DJ. For the redneck in us all, the mechanical bull was a favorite as usual for both students and faculty alike. There was an intense game of basketball going on this day as well.

"Decades Mixer" was the theme for the Grenada Center's first ever Fall Fest on Halloween Day. Students and faculty

were encouraged to dress up from a different decades and that they did. Decade-themed booths were set up by different academic departments and clubs inside the Forum where students could play games when they were not waiting in line for cotton candy, nachos, funnel cakes and hot dogs.

Some say, "Save the best for last," and that was the case in Grenada this warm Halloween day when a packed forum dimmed the lights and enjoyed the Grenada Centers version of "The Gong Show." The first few acts showcased some of the students' talents. But this talent show was not only limited to students. Numerous faculty members made their mark with renditions of "Stop in the Name of Love," "Walk Like an Egyptian" featuring Vice President Jack Holmes. "Fire," and a dance through the decades. Despite their efforts, the duo to steal the show was Demeatrikes Coffey and Cordarius Washington's rendition of "It's Goin' Down" that brought nearly the entire forum to their feet.

The Top Ten of the Beauty Review pose for a glamour shot. (L to R) Lee Pratt, Tiffany Bridges, Miranda Gail Campbell, Laura Burton, Most Beautiful Emily Thomas, Katie Ross, April Marie Alexander, Erica Crimm, Malorie King, and Mallory Bridges.

Spring Fling 06

Every Spring students at Holmes look forward to all the food and fun and Spring Fling! In the spring of 2006, Ridgeland, Goodman, and Grenada students enjoyed the festivities.

At the Grenada Center, students and faculty enjoyed the music of the band "Guest House," whose include some Holmes students. Students also played volleyball and frisbee. Food from McAllister's Deli was enjoyed by all.

On the Ridgeland campus, Students enjoyed an array of activities including OTA exercises, frisbee, basketball, a d.j., and much more. The students and staff were served delicious crawfish or chicken.

Goodman students and staff enjoyed an obstacle course, a mechanical bull, and lots of crawfish!

Everyone looks forward to this fun time during the school year!

Miss Holmes Community College 2007

Mystical Magic!

Erica Crimm Miss Holmes GG 2007

Below: Contestants were, L to R: Ashley Robertson, runner up; Miranda Campbell, Laura Burton, Kimberly Cotton, Michelle Farmer, Amber Harrison, and Erica Crimm, Miss HCC 2007.

The night of February 13, 2007 and preparation to action as the evewas definitely full of Mystical Magic! as seven young ladies competed for the title of Miss Holmes Community College 2007.

Contestants from the Grenada center included sophomores Michelle Farmer, Amber Harrison, and Miranda Campbell. From the Goodman campus, three ladies competing were sophomore Erica Crimm, and freshmen Kimberly Cotton and Laura Burton. Also competing was Ridgeland campus sophomore Ashlev Robertson.

Grant Staples, Oral Communication instructor on the Ridgeland campus, served as Master of Ceremonies for the evening.

Five judges held interview sessions all afternoon before the pageant, and each individual's scores were carried over to the evening competition.

The ladies put all their hard work

ning kicked off with an on-stage introduction of each contestant.

Contestants then competed in a swimwear and physical fitness, talent, on stage interview, and evening wear.

Leah Pate, Stephanie Burton, and Jacob Veenstra provided special entertainment throughout the evening.

Finally the time came to name a new Miss Holmes Community College 2007. All ladies did a fabulous job and competition was fierce. Ashlev Robertson was named runner-up while Erica Crimm took the title of Miss HCC.

As Miss HCC Crimm will represent the school at the 2007 Miss Mississippi pageant. Her platform involves enhancing youth involvement in nursing home life in their communities. Crimm's talent is jazz dance.

The Holmes Community College Bulldog football team placed four players on the All-State Second Team following the 2006 season. Four Bulldogs also made the All-Star team and participated in the game on Dec. 2, in Booneville at Northeast Mississippi Community College.

Chris Herron of Kosciusko, who played quarterback and wide receiver, and Kenny McGhee of Seminole, Ala., who played offensive tackle, made the team on the offensive side of the ball. Herron finished the season 77-of-130 for 744 yards and five touchdowns. He had 18 catches for 262 yards and three touchdowns. He also added two two-point conversions.

Antonio Godfrey of Atlanta, who played defensive end, and Stevie Hardin of Valdosta, Ga., who played cornerback, made the team on the defensive side of the ball. Godfrey finished the season with 62 tackles including four for a loss and

two sacks. Hardin had 31 tackles including a sack.

Herron was joined by Jerrod Grace of Jackson, Patrick Jaco of Yazoo City and James Neal of Valdosta, Ga., in the All-Star game. Grace had 42 tackles including three for a loss and a sack. Jaco started at center for the Bulldogs the entire season. Neal was the co-leader in tackles for the Bulldogs with 75. He had one tackle for a loss and one sack.

SEASON WRAPUP

The Holmes Community College Bulldog football team finished the 2006 campaign with a 1-8 record. The Bulldogs suffered losses to Mississippi Gulf Coast Community College, 68-0; Northwest, 45-0; East Mississippi, 9-6; Coahoma, 26-13; Pearl River, 21-14; Itawamba, 38-21; Mississippi Delta, 14-6; and Northeast, 12-2. The Bulldogs defeated the Hinds Eagles, 36-29, in

the second game of the season.

Freshman quarterback Zach Williams led the Bulldogs in passing after going 58-of-125 for 785 yards and six touchdowns. Herron was 77-of-130 for 744 yards and five touchdowns. Their leading receiver was led the Bulldogs Richard Worthy with 27 receptions for 396 yards and three touchdowns. Herron caught 18 passes for 262 yards and three touchdowns while Kerrye Stewart had 27 receptions for 303 yard and one touchdown.

The leading ground gainer was Levi Lewis. Lewis finished the season with 71 carries for 200 yards. Williams had 65 carries for 123 yards and a touchdown.

Jarvis Hines joined Neal as the Bulldogs' leading tackler. Hines had 39 solos and 36 assists. He had six tackles for a loss and one sack. Larry Hart had 31 tackles including eight tackles for a loss and four sacks.

2006 Soccer

Four members of the Holmes Community College Bulldog soccer team received either team awards or state or region awards following their impressive season.

Phillip Sistrunk was named to the All-Region 23 team while Brett DiBiase, Zach Creel and Matt Walters were named All-State.

Team awards, given out during the annual soccer banquet on Nov. 18, were as follows: Golden Boot (most goals), Kyle Newton and Phillip Sistrunk; Playmaker (most assists), Hunter Flynt; Most Improved Player, Michael Pardue; Sportsmanship, Trey Britt; Leadership, Cody Bullman and Dustin Quarles; and MVP, Phillip Sistrunk..

The Holmes Ridgeland soccer team made history in 2006. They finished second in the state at the playoffs in Poplarville. It was the first time the school made it all the way to the championships. The Bulldogs battled it out against Hinds CC in the final game on Oct. 22. Hinds won 3-2, but freshman Clark Smith and sophomore Phillip Sistrunk both scored in the first half, putting Holmes on the scoreboard.

In the semi-final game on Oct. 21, Holmes triumphed 3-2 over Gulf Coast CC after two overtimes and a shootout. Freshman Michael Pardue of Holmes scored the Bulldogs' first and second goals before overtime. The first two overtime periods went scoreless for both teams. Pardue, Sistrunk, Matt Walters, and Brett DiBiase all made their shots to make Holmes the semi-final winners. Coach Matt Convertino said, "The playoffs semi-final game was one of the most exciting games I have ever been a part of. It was winning the game, and having goalie Andrew Brooks save two penalty kicks, and Brett DiBiase score the final goal!" Coach went on to say that he was "very happy for the sophomores, and it was the goal of the freshmen to get the sophomores to the game and hopefully get there one day themselves." Freshman player Clark Smith talked about his first season with Holmes and said, "It was good, actually very exciting. I never thought we would go to state. I trained with them a little last year and never imagined going to state; it had never been done in the school's history."

Here's a look at the road Holmes took to get to the championship! On Oct. 18, Homes lost to Hinds CC 2-0 at Freedom Ridge Park. On the Oct. 13, Holmes sophomore Adrian Gooden, assisted by Aaron Kay, scored for the Bulldogs against Northwest CC in Senatobia. The

game ended in a tie 1-1. Oct. 10, Holmes defeated East Miss. CC 5-0. Kay, Sistrunk, Kyle Newton, Gooden, and Pardue all scored for the Bulldogs. Oct. 7, Holmes shut-out Miss. Delta CC 1-0, because Hunter Flynt scored the game's only goal. The Bulldogs traveled to Itawamba CC on Oct. 4 and won 3-1. Sophomore Aaron Shows, Sistrunk, and Flynt scored for Homes, and Dylan McCord scored one for ICC. Holmes stomped Southwest CC 8-0 on Oct. 2 at their home fields in Ridgeland. Kyle Newton scored a total of three times, freshman Martin Matit twice. Sistrunk and Cody Bullman also made goals for the Bulldogs. Again, Holmes went to an away game at East Central CC on Sept. 28. Sistrunk scored twice, and was assisted by sophomore Zach Creel and freshman Wendall Yarbrough. Brett DiBiase and Hugo Angel also fired shots in.

The Bulldogs defeated team after team this season. Coach Convertino summarized the season and stated, "A fantastic, statistically it was by far the best season in school history or since the program began in 1997. We had our best division finish, and the least goals ever given up in the season. We scored 48 goals and only let in 15." Holmes's overall finish was 12-3-1, division finish was 7-2-1, and final place was second in the state. The 2006 season was the best ever and lots of hard work of the players and Coach Convertino paid off. Congratulations, guys!!!!

... Bulldog Basketball...

Bulldogs are 2007 State Champs

The Holmes Community College men's basketball team made history this season after claiming their second straight MACJC state title. The Bulldogs took three games in the tournament by defeating Pearl River, 78-72; Northwest, 84-78 and then Copiah-Lincoln in the state title game, 71-68, in overtime.

The Bulldogs, who finished 22-7 overall, hoped to make it to the NJCAA National Tournament in Kansas but came up short in the Region XXIII Tournament held at Mississippi College. The Bulldogs defeated Southern Shreveport, 91-66, in the opening round game and then lost a heartbreaker to Gulf Coast in the semi-finals, 79-76.

In the state title game, players and coaches expected nothing less than a battle because the regular season meeting between the Wolves and the Bulldogs had been just so.

The Bulldogs and Wolves battled for 40 minutes to a 58-58 draw. In the

overtime period, the Bulldogs took advantage of a Co-Lin turnover at mid-court with ten seconds to go, and it resulted in a Dean Hadley tip-in with 7.4 seconds remaining in the game. Brandon Brinson added one-of-two free throws with .8 seconds to go and sealed the 71-68 win after a three-quarter court shot was no good by the Wolves.

Richard Worthy and Jeremy Cable each led the Bulldogs with 22 points in the game.

In the regional opener, the Bulldogs had little trouble with Southern University-Shreveport Jaguars, 91-66. Worthy led the Bulldogs with 22 points. Jonathan Boyd had 14 and Derrick Huffman followed with 13.

In the semi-finals, Gulf Coast and Holmes battled to the end just as they had done in their two meetings during the regular season. The Mississippi Gulf Coast Community College Bulldogs trailed the Holmes Bulldogs by 19 points in the first half and 11 at the half, 45-34. They inched their way back into the game and tied the game with 3:11 left and then took the lead never to relinquish it.

The Holmes Bulldogs had a shot at tying the game with 1.1 seconds left but were unable to get a shot off before the buzzer sounded.

Jeremy Cable led the Bulldogs with 19 points while Richard Worthy had 18, Dean Hadley 14 and Derrick Huffman had 10.

The Bulldogs finished the regular season 18-6 overall and 9-2 in the North Division. In the division, the Bulldogs defeated every team twice except for Mississippi Delta and Itawamba, who claimed the North Division title.

The South Division accounted for the other five losses. The Bulldogs fell twice to Gulf Coast and split games with Hinds, Southwest and East Central.

·· Lady Bulldog Basketball.

Lady Bulldogs Make it to State Tournament

The Holmes Community College women's basketball team made the MACJC State Tournament following the 2006-07 regular season and was within a point of the No. 10 team in the country, the Copiah-Lincoln Lady Wolves, with five minutes to play in the first half. The Lady Wolves came out in the second half and hung on for the 55-44 win to end the Lady Bulldogs' season.

With the loss, the Lady Bulldogs ended the season at 7-17 overall. Shae White led the Lady Bulldogs with 19 points while Ashley Brown had 11 and Myeshia Johnson had 10.

Copiah-Lincoln held a 15-8 lead with 11:21 remaining in the first half after Whitney Scott's two-point shot. The Lady Bulldogs then pulled within two

when White hit a three-point shot with 9:58 remaining, Vanessa Anderson hit a two-pointer with 9:30 remaining and Brown scored on a layup with 6:50 remaining in the half. Brown's two-pointer with five minutes remaining made the score 19-18, Co-Lin.

With 17:45 left in the second half, Brown got the Lady Bulldogs within five at 27-22 after hitting two free throws. Late in the game, the Lady Wolves held a 17-point lead before the Lady Bulldogs scored eight points to the Lady Wolves two in the final three minutes of the game.

The Lady Bulldogs made the state tournament by defeating a pesky Northwest Lady Ranger squad down the stretch to pull out the 79-72 win in the final regular season game of the

vear

Ashley Bilbro led the Lady Bulldogs with 32 points while Shae White added 21. The Lady Bulldogs led 38-32 at the half.

The Lady Bulldogs finished the North Division at 5-6 overall. They split with Itawamba, Mississippi Delta, East Mississippi and Northwest. They defeated Coahoma in the only game played and they fell to Northeast twice.

In the non-division match ups, the Lady Bulldogs split with Mississippi Gulf Coast Community College and Hinds. They fell three times to Copiah-Lincoln and then fell twice each to East Central, Southwest and Jones.

···2006 Bastball.

Since 2000, the Bulldog baseball team has held a winning average of 35 games per season.

The Bulldogs, who made the state playoffs last season, return fall UAB signee and centerfielder Austin Taylor and shortstop Keith Williams to the everyday lineup. Scott Mc-Crory of Kosciusko, who made First Team All-State and All-Region, along with Trey Bowman of Ackerman, who made First Team All-State, and Shane Hunt of Ethel, who made Second Team All-State, give the Bulldogs firepower from the mound.

Two starting pitchers from last season, Jared Clark of Brandon and Buck Rodgers from Winona, required arm surgeries in the summer and fall and won't be able to play this season; neither will freshman pitcher Brad Norman, who is also injured and will redshirt. Clark finished last season with a 6-1 record while Rodgers went 6-4.

"We were expecting to be pretty good," Head Coach Kenny Dupont said, "but with the loss of Clark, Rodgers and Brad Norman it is tough. We were counting on those guys. We will be very young defensively and offensively with the only experienced players in Taylor and Williams. Pitching wise we are going to be O.K.

"This is the youngest and least experienced team we've had since I've been head coach," he explained. "We are just going to try to build on traditions where we average 35 wins a season and go to the playoffs every year."

Dupont said Taylor is the team leader. "He's our leader on

and off the field," Dupont said of Taylor who was drafted by the St. Louis Cardinals last spring. "He has great talent and great ability. He signed early with UAB, and we are going to ride his coattails. He will bat at third or fourth in the lineup. Austin is basically our go-to guy." Taylor may also see some action from the mound. As a freshman, Taylor batted 302 with 41 hits with 29 RBI.

Williams saw extensive action last season at shortstop.
"He did a great job defensively last season," Dupont said.
"He has improved a lot with the stick, and we are looking for good things from him." Williams finished the season with a .203 batting average with 12 hits in 59 appearances at the plate. Delta State transfer and Winona native Ben McNeer will see action at shortstop along with seeing action from the mound.

McCrory, who went 10-1 his freshman season with a .78 ERA, also had some arm surgery in early summer, but Dupont said he's bouncing back just fine. He pitched 81 innings with 78 strikeouts. "Right now, he's probably about 85 percent," Dupont said. "McCrory came in here as a catcher and a pitcher, but we pitched him mostly. He had a great great year."

Bowman finished last season with a 9-3 record and an ERA of 1.38, "He did a fantastic job for us," said Dupont.

Hunt finished last season with a 3-3 record and a 3.11 ERA, "He pitched in some big games against some tough teams," said Dupont.

HOLMES BULLDOGS

···2006 Baseball...

Transfers Aaron Terry of Rison, Ark., who transferred from University of Arkansas-Pine Bluff, and Sean Thompson, an East Central transfer from Junction City, Ark., will be an added plus from the mound along with newcomers Will Carpenter of Winona, Joe Morris of Maben and Blake Pennock of Jackson, who is also a catcher. Morris is the only left-hander in the group.

Battling at catcher will be Copiah-Lincoln transfer and Philadelphia native Jeremy Boler, Mississippi State transfer and Ackerman native Brannon Fowler and Pennock. "They are all battling it out to see who's going to be starter," said Dupont.

Josh Boren, who is a Batesville native and Delta State transfer, along with Ellis-

ville native and Jones County Junior College transfer Derek Loper and fellow JCJC transfer and Beaumont native Yancey Lott will be the team's first basemen.

Kosciusko High School graduate and Bulldog football receiver/quarterback Chris Herron joined the squad for his sophomore season. Jacob Jacks, a sophomore from Woodlawn, Ark., will also see time at second base.

Freshman Jason Chism from Pontotoc will be Bulldog third baseman.

East Central transfer Will Pearson from Decatur and Dax Graham from Oak Grove will be the left fielders while Chance Cooper of Ocean Springs and Anthony Triplett of Jackson, a Southwest transfer, will be the right fielders.

Dupont said being aggressive has made the team successful over the years. "We don't win a lot of games because we have more talent or more players," Dupont explained. "We

win games because we out hustle people and do the little things right. We play harder than them. We get after folks. I always try to preach to them all the time to do whatever it takes to win. That's what wins us ballgames."

Without a tremendous amount of leadership, Dupont said the team must play together to have a good season. "For us to be successful, we have to play as a team," he said. "I don't think we have outstanding talent to the fact we can survive by playing individualized. I preach to them all the time that together you can beat anybody. When you pull apart is when you have problems. We've got to do the little things right. We've got to move runners over, make the plays and throw strikes. We want to make Holmes and the community proud of us. That's the bottom line."

Joining the Bulldogs on the field this season is assistant coach Josh Hoffpauir, who played and coached for the University of Southern Mississippi.

He said the age difference and the lack of development time is the major difference between junior college and Div.

1. "I think one of the biggest differences is age and maturity," he explained. "A lot of guys had juniors and seniors to follow. Here we have to stay hands-on with them a lot. We have to teach a lot of basics and fundamentals because they don't have the older guys to work with. Here we teach an advanced type of baseball. We are going to run this like professional or D-1 programs."

"We have to believe in one another and become a unit. They must buy into the family atmosphere. It breeds success at this level. They've got to understand that not always the most talented team wins. It's the team that wants it the most and gets after somebody and plays together."

··· 2006 Softball...

Holmes Sports Hall of Fame member and Ethel High graduate Ricky Casey brings his coaching ability to Holmes Community College during the 07 spring season as the head coach of the women's fast-pitch softball team.

Casey comes to Holmes from Union High School, where he coached boy's basketball and fast pitch. He has also coached in Durant, Anniston, Ala., and Ethel High School since leaving Holmes. He made All-State in basketball after his sophomore season at Holmes in 1974. He was a member of the MACJC state championship track team in 1973 and was state champion in the mile run his sophomore season. He was named Most Athletic at Holmes in 1974.

After Holmes, Casey attended Millsaps College, where he lettered in basketball two years and was chosen most valuable player in 1976 and 1977. Casey graduated from Mississippi State University, where he received a bachelor of science degree in math education.

The Lady Bulldogs return seven players from last year's team: Stefanie Byars, Courtney Jones, Meagan Hancock, Tiffany Woodcock, Hilliary Tharp, Jerrica Earl and Hope McDill.

A 10-game fall schedule allowed Casey to see what his

returnees can do along with the newcomers. "Overall, I was satisfied with the fall season." Casey said. "We accomplished a lot and came a long way as far as teaching and came together as a team. Getting them to play together and do the same thing is what makes the team concept. That's what we were trying to do in the fall. This was the first time to see most of them on the field. It was enjoyable, and they all worked hard."

Byars, who prepped at Pearl High School, had an impressive fall batting .444 with 12 hits in 27 at bats. "Our best defensive player is our shortstop, Stefanie Byars. She really impresses me. She's a good softball player. She puts the ball in play. I've never seen anybody as quick as she is from the glove to the throw." Of 42 fielding chances, Byars only committed two errors. "That's outstanding," he said. "because you see a lot of chances at short."

Tharp, who played at East Holmes, is the team's second baseman and is described by Casey as a team player. "She puts the ball in play, and she's steady on defense. She's not going to hit the ball over the fence, but she's going to do the little things. That's what we need."

A Eupora graduate, Jones is the Lady Bulldogs cen-

.2006 Softball.

terfielder. "She's one of the best defensive outfielders we have," Casey said. "She has good range. Offensively, she puts the ball in play and runs the bases well." He said Jones, who batted .304 in the fall, is also a great bunter.

Woodcock, who handled most of the catching duties, injured her hip in the fall and was not able to put in a lot of

work, but Casey expects her to play both infield and outfield for the Lady Bulldogs and maybe even catcher if necessary. "She stayed out here with us and worked hard in the fall." Of her four attempts at the plate, she got one hit.

A Brookwood, Ala. graduate, Earl possesses great speed, and Casey said he expects her to bat at the top. "We are working on slap hitting. She's done a good job with that and just putting the

ball in play." She will play leftfield and also did some relief pitching. "She's not an overpowering pitcher, but she locates well and changes speed."

Tri-County Academy graduate Meagan Hancock will play first base and outfield this season. Casey said she puts the ball in play. "She can hit it hard and hits with good power."

McDill of Kosciusko returned to Holmes after spending a semester at Delta State. "She will be helping us some in the outfield," Casey said. "She swings a good bat."

Paige Rabun, a sophomore from French Camp, joined the team this season. She will see action at first base. "She came out and worked hard for us," said Casey.

Of the newcomers, Christina Heath of East Holmes led the Lady Bulldogs with a .478 batting average in the fall including six RBI and 11 hits in 23 at bats. She is the Lady Bull-

also of East Holmes, will see action in the outfield and from the pitcher's mound. "She's the fastest speed wise we've got," Casey said. "She's got to work on control. She got better at the end of fall practice and had command of her pitches."

Winona graduate, Kacey Vanderlip, will hold down third

base for the Lady Bulldogs.

"She has a good, quick bat and is a good defensive third baseman. She does a good job and has a steady glove. She's got great power and is capable of hitting a lot of homeruns. She a good contact hitter.'

Mandy McWhorter, who prepped at Kirk Academy, proved to be the workhorse from the mound for the Lady Bulldogs. She pitched 27 innings and only gave up one earned run and a .26 ERA.

"Overall, she had an outstanding ERA in the fall," Casey said. "The main thing she puts the ball around the plate and makes you put it in play. She doesn't walk a lot of people, and she has good speed."

Casey said he expects his team to be very active on the bases and at the plate. "That was one of the things in high school, pitchers overpower you," Casey explained. "You can't get up and expect to get a hit every time. You've got to be able to put the ball in play and not have to stand at the plate and look for the big hit. It seems like if you play for that you never get it. You've got to put yourself in a situation to win the game.

"Overall we hope to put the ball in play whether its bunting and slap hitting or whatever we need to do," he said. "Hopefully our pitching and defense will keep us in the game. If

it comes down to out hitting somebody I don't think we have the power to do that. We have some kids that can put the ball in play and put it in play very hard."

Casey said he expects Hinds, EC and Meridian to be very good in the central division. "If we can be competitive overall that's what we are looking for," he said.

Bulldog Golf

The Bulldogs, led by head coach Kay Jenkins, began tournament play February 19, at Wolf Hollow in Wesson where they faced 10 other schools.

The Bulldogs have been preparing since early fall practicing up to four times a week at Deerfield Country Club.

With only two returnees to this year's team, Coach Jenkins is excited about the possibilities with such a promising young team. "We have only two players returning from last year and four new guys. I think we will improve on our record from last year."

In the 2006 season, her first season as head coach Jenkins led the Bulldogs to 7th overall and 3rd in the tournament Holmes Community College hosted. "I love what I do here," said Jenkins who had one player make all-tournament team and two players receive awards for the lowest scores of the tournament in 2006. "It is rewarding to watch the guys play whether it's good or bad," she added.

Jenkins will be looking to her two veterans, A.J. Lunsford and Chris Tharpe, for leadership this year. "Both of these

players are strong. Chris especially works very hard at practice as does A.J.," said Jenkins.

Added to the mix this year are newcomers Forest Anthony,

Graham Wells, Jonathan Dickerson, and

Jenkins, a western civilization and American government professor on the Ridgeland Campus, holds a bachelor of science degree from Blue Mountain College and a master of social science degree as well as a master of history and political science degree from Mississippi College.

Jenkins and her husband, Timothy, live in Madison with their two children, Callie. 11, and Neil, 9.

The former college tennis player enters her second season as head coach of the Bulldog golf team at Holmes Community College. "I played tennis in college and when I graduated, I was burned out on that so I really began to work on my golf game. Jenkins said. "I play in a lot of the local tournaments and really love the game.

When not in the classroom, Jenkins enjoys playing golf, tennis, and triathlons.

Bulldog Tennis

When the new Holmes Community College tennis coach begins to recruit student athletes in Holmes' nine-county district, his face will be very familiar to all the district coaches. Former Kosciusko High coach Greg LeVert has taken the reigns of men's and women's tennis coach at Holmes.

"This really should help me a great deal," said LeVert, who retired from Kosciusko after 31 years in education at Kosciusko, Neshoba Central, Columbia Academy, Choctaw County, Ala., and Delta State as a graduate assistant. "I know most, if not all, of the coaches in the district, and I plan to go and visit during their season.

"Our season will be over before the state tournament starts," he said. "I plan to be at the state tournament both days. I plan to talk to coaches and students and encourage them to come to Holmes. We hope to get some from the Grenada and Ridgeland campuses, too. I plan to see principal and guidance counselors as well."

As a coach, his teams and players have won state championships in track and tennis and finished in the top eight in basketball and softball. He had seven tennis players chosen for the All-Star team along with softball and basketball. LeVert holds a bachelor's degree in education and a master's degree in education from Delta State University. He also holds specialist certification from Delta State, Mississippi State and USM.

Three players from last year's tennis teams return for their sophomore campaigns --- Rob Renfroe from the men's team and Leah Pate and Chassie Kelly from the women's squads. Pate played for LeVert as a junior at Kosciusko.

LeVert said he's been pleased with the returnees. "He (Renfroe) has good leadership with the guys," LeVert said. "Leah and Chassie will be the leaders with the girls. We have very little experience, but we are looking for good things."

Along with Kelly and Pate, other women's team members include Emily Butler of Ridgeland, Molly Daniels of French Camp, Nicole Doty of Kosciusko, Michele Jenkins of Kosciusko, Marlie Mixon of East Webster and Shera Woods of Kosciusko.

Men's team members joining Rob Renfroe include Danny Deford of Kosciusko, Jacob McBride of Kosciusko, Jon Marc McLeod of Pelahatchie, Wes Myers of Kosciusko, Chris Prevost of Ethel, Rick Renfroe of Canton, Breck Riley of Kosciusko, Clint Rivers of Benton and Jacob Veenstra of Hickory.

Riley also played for LeVert at Kosciusko. "He's been a good leader and works hard," LeVert said. "They all work hard and have a good work ethic."

Intramurals

by Armando Virruet

Holmes Community College offers many activities for students to get involved in and meet new people. Coach Flannigan, the boy's assistant basketball coach, is over the Intramurals at Holmes. There are many different intramural activities that are offered

for the student body.

The intramurals have many different sports that can be played: flag football, ultimate frisbee, basketball, and pool. The year started off with flag football and ultimate frisbee. On Monday nights

flag football was played. Ultimate Frisbee is played on Tuesday nights. There is also a basketball league and a pool league. The flag football season had various competitive teams that made the games very interesting.

This year there were three teams that were involved. All the teams played hard, but in the end only one team came out on top. The Choctaw Ballers was the championship team, and the Little Giants came in second.

The championship and runner up team both received t-shirts for first and second place. The number one and two team was taken to East Mississippi Community College to play against their top teams. Both teams went up there and played hard and represented Holmes

Community College.

Ultimate frisbee was played, but there was not a league. Many people still showed up and got involved. Frisbee provided a good atmosphere were people came to play, had the chance to meet

Above: (L to R) Hayes Odom prepares to run the ball as David Stewart, Coach Flanigan and Adam Hester look on.

people, and have a good time.

Throughout the year students also enjoyed one-on-one basketball, team basketball, pool, and so much more!

The intramurals give a good atmosphere for the students to come and participate in many events. It is a time to give the students events to get involved in and meet people at the same time.

enada student Andrew Nati I while he is supposed to b pics for Who's Who and I of Fame.

Association of Reparts of

otophon

Community College's 2006-2007 Holmes Horizons, Volume 78, consists of 240 pages on a 9x12 format. The book contains 80# paper and Smyth binding. All pages are color.

The 1,750 copies of the book were printed at Taylor Publishing Co., Inc., in Dallas, Texas. Our Taylor sales representative was Ben Allen. The in-plant account executive Milani Arguelles.

The hard black matte cover portrays an embossed grain of faces. The yearbook title is in white silkscreen, and the cover also features a spectrum foil stamp.

Advisor Melissa Love and Editor Terann Culpepper developed the design elements and

theme of this year's cover.

pages were composed on Gateway AII computers, using the programs Adobe Photoshop CS2®, Adobe InDesign CS2®, and Microsoft Word. Pages were built and organized using Taylor Tools for InDesign.

A Change of Face is in the font Transpose. All other fonts used are as follows: Times New Roman, TimesT, Curlz, Arial, Gill Sans, Trebuchet MS, Bradley Hand ITC, Bria, and Seville T. No spot color was used in the yearbook.

Portrait images were taken by Southern School Images, whose headquarters are located in

Jackson, MS.

The viewpoints represented in this yearbook are solely of the staff and in no way intent to reflect college policy.

.... Editor's Note

The faces of 2006-2007 have been placed in this book to show the changes made in the past year. Some faces will make you laugh, some will make you cry, but most of all they will make you remember things you will never won't to forget. These faces tell a story of the past and will stay will you forever. May the adventures shared in this yearbook make you remember some of the best times you ever had.

First, I would like to thank my wonderful advisor, Melissa Love. We've been through good times and bad times, but in the end we look back and see they all came together and made a wonderful book! I couldn't have done it without her! Thanks so much! Next I would like to thank Steve Diffey for taking lots of pictures and writing sports stories for us. I would also like to thank Nan Sykes for

pofing our pages for us.

This full color
yearbook would not
be possible without Dr.
Boyce's support. Lastly I
would like to thank the fall
and spring staffs for selling
ads, writing stories, and taking
pictures.

I would also like to thank the students and faculty of all three Holmes campuses for their participation in making "A Change of Face" happen.

A good education ensures a great future. A great bank doesn't hurt either.

Knowledge will take you a long way in the world. It seems that most successful people have a few things in common — intelligence, honesty, persistence and commitment.

But even the greatest of minds can use a strong financial partner. If you're looking for the right bank for you, come by and give us a pop quiz. You'll see that we've done our homework.

Contact any BankPlus Office or our Customer Service Center at 601-664-PLUS(7587) in Metro Jackson or 1-888-811-PLUS(7587) Outside Metro Jackson.

Or visit us online at www.BankPlus.net.
